

OUR PLACE ST AIDAN'S SCHOOL

Term 4 Week 7

25/11/16

THANKING EVERYONE IN OUR ST AIDAN'S COMMUNITY

As the 2016 school year rapidly moves towards Christmas, we must take the opportunity to thank the many people in our community for their contribution to St Aidan's growing successes.

Today we thank the students....

Our students have been very successful on all fronts-

*academically we have had an outstanding year with continued growth in our students' learning performances.

*on the sporting field, again our students have been competitive and shown themselves to be wonderful ambassadors for this school.

Whether it is with their overall behaviour, their energy, classroom efforts with numeracy or literacy or reverence during liturgical celebrations **our St Aidan's students have really shown that they are delightful, well-mannered and responsible children.**

Casual teachers and other visitors often comment positively on our students which is a good sign of their respect for others, their enthusiasm to learn and their strong sense of responsibility.

St Aidan's is a lovely place because of the delightful children in our care!!

Thanks to OUR STUDENTS. Your effort, energy, friendliness, commitment to your learning and positive influence on our school community is outstanding.

Parents and teachers are very proud of you and we look forward to another amazing year in 2017. Best wishes to our Year 6 students who are soon heading off to our local Catholic Secondary Schools.

“Imagine life is a game in which you are juggling five balls.

The balls are called **work, family, health, friends, and integrity**. And you’re keeping all of them in the air.

But one day you finally come to understand that work is a **rubber** ball. If you drop it, it will bounce back.

The other four balls - **family, health, friends, integrity** – are made of **glass**.

If you drop one of these, it will be irrevocably scuffed, nicked, perhaps even shattered.

And once you truly understand the lesson of the five balls, you will have the beginnings of balance in your life.”
[James Patterson]

PARENT HELPERS FOR 2017

A workshop for Parent Helpers
will be held early

Term 1 2017.

Good readers and writers are able to draw on many different reading experiences. Children need books from home and from school in order for this to happen. The school and local library are important sources of reading material and as such need to be used regularly. Each grade has the opportunity to borrow from the library each week. Please ensure your child borrows books from the library each week.

Encouraging the behaviour you want in your child

Children do as you do. Your child watches you to get clues on how to behave in the world. You are the role model, so use your own behaviour to guide your child. What you do is often much more important than what you say. If you want your child to say 'please', say it yourself. If you don't want your child to raise their voice, speak quietly and gently yourself.

LIBRARY NEWS

Please be aware that borrowing from the school library finishes during week 8 i.e. **Monday 28th November until Thursday 1st December.**

During weeks 9 and 10, all books must be returned **BEFORE** the school holidays (especially year six students).

SUMMER READING CHALLENGE

We all know the importance of reading for literacy development and the impact a prolonged break, like the Christmas holidays, can have on **READING** advancement, particularly for vulnerable readers.

A promotional poster for the Executive Director's Summer Reading Challenge. The background is a light blue sky with a large blue and white striped beach umbrella on the left. A man wearing a straw hat and glasses is reading a book titled 'WHERE THE WILD THINGS ARE'. To his right, a sailboat with a blue and white striped sail is on the water. The text 'EXECUTIVE DIRECTOR'S Summer Reading Challenge' is at the top. Below it, the text reads: 'Read as many books as you can, tell us why you love them, and you could win one of **four iPad minis**'. Further down, it says 'Enter online at www.parra.catholic.edu.au' and 'Entries close 7 February 2017'. At the bottom right, the Teachers Mutual Bank logo is shown with the tagline 'We put you first'.

Attendance

St Aidan's follows the Parramatta Diocesan guidelines in regards to attendance. School attendance is compulsory for every school age student.

If your child is away a note explaining the absence is required. There is also provision on our school website www.staidansrootyhill.catholic.edu.au for absentee notes to be completed and then emailed to the school.

Absenteeism	Attendance Rate	Educational Risk	Days absent per year	Long term absence (over 10 years)
Regular	90% or more	Low	20 days or less	1 year or less
Emerging	80%-89%	Medium	Between 20 and 40	1-2 years
Chronic	70%-79%	High	Between 40 and 60	2-3 years
Complex	69% or less	Severe	60 days or more	3 years plus

The Catholic Schools Office Diocese of Parramatta has required an attendance target of 93% or higher for every student.

If your child has had more than the expected number of days deemed acceptable then the following process will occur. The school office will contact you in regards to your child's absentee rate. This will be followed with a letter stating that you were contacted. If the attendance is still low you will be contacted for a student attendance meeting discussing how to improve your child's attendance at school.

This is a government driven initiative and must be taken seriously. Each case is different and some children suffer from sickness and also parents take children for extended holidays. Please be aware that this will also mean the process needs to be followed.

If you have any questions please phone the office for clarification.
