Today is the day to thank them and say

Happy Teacher's Day!

# A HUGE THANKS TO OUR ST AIDAN'S STAFF WHO ARE SO DEDICATED AND COMMITTED TO THE EDUCATION OF YOUR CHILDREN.

#### Today is World Teachers Day!

It is a chance to recognise the amazing work teachers do in shaping the little people in our care. Thanks for your generosity of time, talents and expertise.

St Aidan's is blessed to have you here at this wonderful school.

#### **Today is World Teachers Day!**

All staff members received a gerbera with the following message:

Every day you greet your students with a smile upon your face Though paperwork the night before seemed like a gruelling race Money's not your motivation; it's the love for what you do You hear that special calling to which you'll always stay true Your students are your dedication, devotion is to them To you each child's unique and special, a beautiful little gem Some days are just demanding and frustration takes its course Then you see those little faces; their inspiration is your force Each day you're in your classroom remind you why you're there Making differences in children's live with whom your life you share

There's special pride in teachers, and a love for what you do And appreciations always shared between those little lives and you

# DAILY ATTENDANCE IS SO IMPORTANT!!

Attendance	Days missed over	
Percentage	a school year	
100%	0 days	
95%	10 days	
90%	20 days	
85%	30 days	
80%	40 days	

#### **Attendance**

St Aidan's follows the Parramatta Diocesan guidelines in regards to attendance. School attendance is compulsory for every school age student.

If your child is away a note explaining the absence is required. There is also provision on our school website www.staidansrootyhill.catholic.edu.au for absentee notes to be completed and then emailed to the school.

Absenteeism	Attendance Rate	Educational Risk	Days absent per year	Long term absence (over 10 years)
Regular	90% or more	Low	20 days or less	1 year or less
Emerging	80%-89%	Medium	Between 20 and 40	1-2 years
Chronic	70%-79%	High	Between 40 and 60	2-3 years
Complex	69% or less	Severe	60 days or more	3 years plus

The Catholic Schools Office Diocese of Parramatta has required an attendance target of 93% or higher for every student.

If your child has had more than the expected number of days deemed acceptable then the following process will occur. The school office will contact you in regards to your child's absentee rate. This will be followed with a letter stating that you were contacted. If the attendance is still low you will be contacted for a student attendance meeting discussing how to improve your child's attendance at school.

This is a government driven initiative and must be taken seriously. Each case is different and some children suffer from sickness and also parents take children for extended holidays. Please be aware that this will also mean the process needs to be followed.

If you have any questions please phone the office for clarification.

#### **Breakfast Club Update**

Breakfast Club has now been operating since early last term. Breakfast is the most important meal of the day and we have a number of students that miss out for various reasons. This is part of our social justice initiative that requires us as Christians to help those in need. I would like to acknowledge those mothers that give of their time each morning to help organise the breakfast club. I would also like to acknowledge those families that have donated most generously to the breakfast club with different food items.

Last Thursday 20<sup>th</sup> October, the students, teachers and parents gathered across the road at Kimberley Park where we received the Way of Mercy Cross and the relics of St Mary MacKillop and Saint Mother Teresa. It was a beautiful and moving liturgy as everyone proceeded behind the cross holding their own crosses as they reflected on the meaning of the Way of the Cross.

The main message of the liturgy was the symbolism of Jesus' sacrifice and how we as his disciples can show mercy to the marginalised, the lonely and the less fortunate in society. The life of Jesus is a journey supported by the Holy Spirit at the beginning of His mission until He completed it at the time of His crucifixion.

The relics of St Mary of the Cross MacKillop and the letter penned by Saint Mother Teresa were venerated by the community. They stand as a testament to the endless devotion that these two selfless saints modelled on a daily basis. It was a timely visit as our students complete their 'Mission units' and embark on ways that they can reach out to and help their community as Jesus modelled to us in the scriptures.

Years 2, 3 and 4 students have made the connection between the message within the scripture passage and have been able to apply this learning to real life situations. With their teachers' support, they have discussed ways in which they can raise money and support people in need which enables them to continue the legacy of Jesus' mission.

In the coming weeks, these classes will host some fundraising events at school. Please support these grades by donating a gold coin to their venture and help them to make a real difference in the lives of people in our community.
